

Staff Catering Information & Menu

Version 5 - Updated 13 March 2026

The booking for Staff Catering will open on 14 March 2026 and close on Sunday 31 May 2026.

Catering facilities will be located in two areas physically at Poacher 2026 and will be clearly sign posted:

- Poacher Food Court, this includes Bears Street Food
- Epic Catering

Instead of a fixed price package, we have a range of catering options to allow you to pre-book the options you'd prefer. When you book, you'll choose whether you want the following:

- Poacher Food Court
- [Bears Street Food](#)
- Epic Catering

There are several options under each meal time, which will tell you if it's a Poacher Food Court, Bears Street Food or Epic Catering option. The options will also tell you how flexible the booking is i.e if you have to book a specific day.

You don't have to select the same meal for every sitting - you can build your schedule as you wish. A meal planning template has been created [here](#) for you to plan prior to booking.

Tea, coffee and squash will be available to staff in both dining areas throughout mealtimes.

For the majority of the options you are required to bring a plate bag (plate, bowl, cutlery and drinking vessel - preferably with a lid) and tea towel with you. Sufficient washing up facilities will be provided. You do not need a plate bag if you are having pizza, jacket potatoes or Bears Street Food.

You also have the option not to pre-book at all, as we will have food trucks available. However, we can not guarantee what options will be remaining due to capacity and priority will be given to those that have pre-booked.

Tokens

For some of the options (all breakfast options and all Bears Street Food options) you will need to pick up tokens to exchange for your meals. The tokens can be collected from the Oceania (staff) subcamp at the following dates and times:

- Friday 31st July from 4pm to 8pm
- Saturday 1st August from 2pm to 5pm

If you are not on site during these times, please visit the Admin Hub based in the Epic Centre to collect your tokens.

Once your tokens have been collected, we will be unable to replace them so please do keep them safe and dry.

Payment

Once you have completed your order, you need to go to your “account” and select “pay by card” to secure your staff catering booking. If you do not pay within 7 days, your staff catering order will be removed.

Breakfast (7.30am to 9.00am)

All breakfast options are served in the Poacher Food Court area of the site, but there are two catering options listed below.
