

OCEANIA & ANTARCTICA

Subcamp Newsletter

Welcome to your first subcamp email!

If you are camping on the main Poacher 2026 site at the Lincolnshire Showground, you will be joining us in the Oceania subcamp! If you are camping at the Water Village, you'll be part of the newly formed Antarctica subcamp!

If you're camping with your group, as a staff member, you'll still actually be part of the Oceania subcamp, and wear a blue-edged necker to identify you as staff - you'll need to collect your necker and wristband separately on your arrival.

For now, if you're on Antarctica you'll be receiving this joint email - to ensure you don't miss out on any important staff communications. You will likely also receive messages from your team directly as well.

Welcome to Oceania - The Subcamp Down-Under!

As your home-from-home space for the duration of your time at Poacher, we hope to take a leaf out of the Aussies' book and give our amazing jamboree staff a welcoming, fun, and relaxed subcamp experience from start to finish. You all work so hard to give all of the participants and their leaders the best time ever at Poacher, so we want to try and make sure you all have the best time ever too!

We aim to give our incredible Poacher Staff a friendly, chilled-out space to kick back, relax, and enjoy their hard-earned down-time. As your subcamp team, we will be on-hand to help you in any way we can with whatever it is you need!
